

# ISLE Online Forum 2024

English around the World: Australia and Japan

isLE

December 19, 2024:  
10 am Hamburg (CET) | 7 pm Brisbane (AEST)

Details:

<https://www.isle-linguistics.org/activities/outreach>

**Laurence Anthony**  
Waseda University, Japan

**Peter Crosthwaite**  
University of Queensland, Australia

Join us in this online event! In this new series, researchers will share their experiences of working in English linguistics around the world. This panel will discuss the linguistics landscape in Japan and Australia and talk about:

- What makes (English) linguistics unique in Australia and Japan?
- What are the trends/challenges in English linguistics in Australia and Japan?
- What is the typical day of a linguistics researcher like in Australia and Japan?
- What is the tenure process in Australia and Japan?
- What is the state of English linguistics education in Australia and Japan?
- What are student cohorts like in Australia and Japan?
